## How do I install the latest version of the Galileo SSL?

**Document ID: AN16706**

How do I install the Galileo SSL 3.0.1 upgrade?

To upgrade to the latest version of Galileo SSL please follow the steps below.

1. **Download and Save** the latest version of Galileo SSL GalileoSSLClient\_v3.0.1.47.exe
2. **Open** the folder where "GalileoSSLClient\_v3.0.1.47.exe" was downloaded to.
3. **Right Click** "GalileoSSLClient\_v3.0.1.47.exe"
4. **Click** "Run as administrator"
5. **Click** "Yes" if prompted by User Access Control otherwise proceed to step 9
6. **Click** "Yes" if prompted about previous installation of SSL otherwise proceed to step 10.
7. **Click** "Next"
8. **Click** the button to the left of "I acknowledge that I have read and Agree to the Terms and Conditions"
9. **Click** "Next"
10. **Click** "Finish"

This completes the installation of Galileo SSL

**Note:** For full procedures with screen shots view the attached PDF below
